

Construction Competition

Rules

- The Construction Competition is open to all SARS members.
- There are two sections:
 - Novice section is open to all members who have not previously entered the Competition
 - Open section is open to all other members.
- Any radio or electronics related construction project may be entered.
- Projects entered in previous competitions may not be re-entered unless significant changes have been made. Eligibility of an entry is at the discretion of the club's Contest Organiser.
- Prizes will be awarded for 1st, 2nd and 3rd places.
- Placings will be determined either by members' votes, or by a guest judge.
